### Upcoming Waitangi Tribunal events

The Tribunal will hold one two-day hearing in this urgent inquiry in Wellington on Thursday 9 and Friday 10 May 2024.

**Kuia/kaumātua, whānau hauā and tangata turi:**

Some people may need to break up their journey if they have to travel a long distance. For kuia, kaumātua, whānau hauā, and tangata turi funding could cover, for example: an extra night's accommodation to avoid long periods in cars; accessible taxis to events; extra costs of accessible accommodation; provisions for service animals. This is not an exhaustive list.

**Other costs:** We may be able to cover other costs that may arise on a case-by-case basis, such as a contribution to support people to attend via AVL, or reimbursing koha if the attendee is staying overnight in a private residence or marae.

To request funding for a cost not outlined above, please contact the Ministry prior to incurring the cost:

**Email:** [claimantfunding@justice.govt.nz](mailto:claimantfunding@justice.govt.nz)

**Call:** 0800 268 787 and tell them you want travel support for a kaupapa inquiry

**Text:** 027 361 2236 (we can call you back)

---

**We can make and pay for travel and accommodation bookings for you**

If you would like the Ministry of Justice to make and pay for travel and accommodation bookings for you, please contact:

**Email:** [claimantfunding@justice.govt.nz](mailto:claimantfunding@justice.govt.nz)

**Call:** 0800 268 787 and tell them you want travel support for a kaupapa inquiry

**Text:** 027 361 2236 (we can call you back)

The Ministry of Justice can make the following bookings through a travel agent:

- Flight, intercity bus, intercity train or ferry
- Airport shuttle, taxi (chits/pre-payment card)
- Accommodation

*Flights:* If there are no available seats on flights, we will let you know and you may wish to think about a different form of travel.

*Taxi/Shuttles:* We can also provide pre-payment taxi cards for short-distance travel, and may be able to organise and pay for shuttles between airports, accommodation and the venue. Talk to us and we will let you know what is possible.

*Accommodation:* In some areas the accommodation we can book is limited, and we may not be able to book enough rooms. If this happens, claimants may wish to make their own bookings through services such as Airbnb and be reimbursed.

*Meals:* If we have booked your accommodation, then meals at your accommodation such as breakfast and dinner may be able to be charged back to the Ministry. Not all accommodation is set up to do this. We will let you know if it is possible. If it is not available, you can seek reimbursement for meals.

---

**You could make your own arrangements and ask us to reimburse you**

If you have made and paid for your own arrangements, you could ask us to reimburse you.

Travel, meals, and accommodation costs related to attending Tribunal events can be included for consideration in a request for reimbursement.

*Please see the table on page 4 for the full list of what we can reimburse and if evidence of the cost is required.*

*Actual and reasonable costs will be reimbursed.*

---

**Who decides whether costs are actual and reasonable to reimburse?**

If you ask us to reimburse you, the Ministry will decide which costs are actual and reasonable based on the information you provide.

When deciding if costs are actual and reasonable the Ministry may consider the following:

- If the number of people from a claimant group and support people attending the event is reasonable

- The distance the claimant or claimant group must travel and if a suitable form of travel has been selected
- If there is the need for a claimant and their group to stay overnight.

*Please note: The Ministry may ask claimants to provide further information and verification to decide if a cost is reasonable. If you have questions, please talk to us.*

---

## What costs are not covered?

The Ministry will not provide claimant funding to cover:

- Costs of legal representation, as this is available through legal aid
- Funding in advance of the events except where we make and pay for bookings through our travel services
- Research for individual claims
- Resolving issues of equity between funding allocated for different claimant groups.

---

## How to request reimbursement

To request reimbursement, each person needs to complete a *Reimbursement Form for Wai 3300: Treaty Principles Urgency*.

Along with an explanation of each cost, the following documentation and evidence are required before the form will be processed:

- **A legible GST receipt is required as evidence for any single transaction over \$50.** Single transactions below \$50 require proof of purchase (itemised receipt) but do not require a full GST receipt. GST receipts are not needed for claims relating to mileage, koha for accommodation or accommodation through an online service such as Airbnb (although a copy or screenshot of the Airbnb receipt needs to be provided). *Please see the table on page 4 for the full list of what we can reimburse and if evidence of the cost is required.*

- **A bank deposit slip or screenshot** including bank logo, account name and account number for the person named in the claim.
