

**Private Security Personnel Licensing Authority COVID 19 Traffic Light Protocol
As from 5 January 2022**

1. As all New Zealand has moved into the Covid 19 Traffic Light system the PSPLA will process all application for licences and certificates and deal with complaints in its usual manner, with only the following exceptions:
 - Where appropriate hearings will be held by telephone or video rather than in person.
 - Where and in person hearing is held all people attending the hearing will be required to either show a valid vaccine certificate or a negative Covid test within the last 72 hours to enter the building in which the hearing is held.

2. As business as usual has resumed, effective from 5 January 2022 the PSPLA will no longer be:
 - Issuing exemption certificates for people to work without displaying their badge unless the person's badge had gone missing in the mail or has been unreasonably delayed.
 - Granting third temporary certificates of approval.
